and bearing interest on the unpaid principal installments at the rate of six and three-quarters per cent (6¾%), payable semi-annually on the first day of each February and August. Interest shall be computed on the basis of a year of 365 or 366 days, as may be appropriate from the date hereof until maturity on the principal amount from time to time remaining unpaid. The Bond shall bear interest on any overdue principal at the rate of 8% per annum until paid, to the maximum extent permitted by law. Both principal hereof and interest hereon are payable in immediately available funds at the principal office of Harris Trust and Savings Bank (the "Bank"), in the City of Chicago, Illinois.

Payments of principal and interest, including prepayments of principal installments, shall be noted on the Payment Record—Schedule "A", made a part of this Bond as provided in the Ordinance hereinafter identified pursuant to which the Bond is issued.

This Bond is issued in the principal sum of $2,400,000 pursuant to the hereinafter described Enabling Ordinance and to an Ordinance duly adopted by the governing body of the Issuer (the "Ordinance") for the purpose of providing funds to finance the cost of acquiring and constructing land, buildings, machinery, equipment and improvements (such land, buildings, machinery, equipment, improvements and related property being hereinafter called the "Project") and paying expenses incidental thereto, to the end that the Issuer may be able to relieve conditions of unemployment and encourage the increase of industry within the City of Chicago, Illinois. The proceeds of the Bond will be used by the Issuer to pay or reimburse Blue Arrow-Douglas, Inc., a corporation incorporated and existing under the laws of the State of Michigan (hereinafter called the "Company") for the costs of acquisition and construction of the Project, under the terms of a Lease Agreement dated as of August 1, 1977 (which agreement, as from time to time supplemented and amended, is hereinafter referred to as the "Agreement").

This Bond is secured by a pledge and assignment of revenues and receipts derived by the Issuer pursuant to the Agreement and a mortgage on the Project, as more fully described in the Ordinance. Reference is made to the Ordinance for a description of the provisions, among others, with respect to the nature and extent of the security, the rights, duties and obligations of the Issuer, the rights of the owners of the Bond, and the terms on which the Bond is or may be issued and to all the provisions of which the owner hereof by the acceptance of this Bond assents.

Upon written notice given by the Company on behalf of the Issuer the principal installments of this Bond are subject to prepayment at any time in whole or in part in the inverse order of their maturity at a prepayment price of par plus accrued interest to the prepayment date, without premium, as provided in the Ordinance.

All principal installments of this Bond or portion thereof designated for prepayment will cease to bear interest on the specified prepayment date, provided funds for their prepayment are on deposit at the place of payment at that time.

This Bond is issued pursuant to and in full compliance with the Constitution and laws of the State of Illinois, particularly Chapter 15.2 of the Municipal Code of the City of Chicago, as supplemented and amended (the "Enabling Ordinance"). This Bond and the obligation to pay interest thereon are limited obligations of the Issuer, secured by a mortgage and payable solely out of the revenues and receipts derived by the Issuer from the Agreement and otherwise as provided in the Ordinance and Agreement. The Bond and the obligation to pay interest thereon shall not be deemed to constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any political subdivision thereof, or a charge against their general taxing powers, within the meaning of any constitutional or statutory provision of the State of Illinois, but shall be secured by a mortgage and payable solely from the revenues and receipts derived by the Issuer from the Agreement. Pursuant to the provisions of the Agreement, payments sufficient for the prompt payment when due of the principal installments of and interest on this Bond are to be paid by the Company to the Bank for the account of the Issuer and deposited in a special account created by the Issuer and designated "City of Chicago, Illinois Bond Fund (Blue Arrow-Douglas, Inc. Project)", and all revenues and receipts under the Agreement have been duly pledged and assigned to the Bank for that purpose, under the Ordinance to secure payment of such principal installments and interest.

In certain events, on the conditions, in the manner and with the effect set forth in the Ordinance, the principal installments of this Bond may become or may be declared due and payable before the stated maturity thereof, together with interest accrued thereon.

Modifications, alterations or amendments of the provisions of the Ordinance may be made only to the extent and in the circumstances permitted by the Ordinance.

It Is Hereby Certified, Recited and Declared that all acts, conditions and things required by the Constitution and laws of Illinois to happen, exist and be performed precedent to and in the issuance of this Bond have happened, exist and have been performed in due time, form and manner as required by law.

SECTION 5. There is hereby created and established with the Bank, which is hereby constituted and appointed as depositary for the Issuer, a special fund in the name of the Issuer to be designated "City of Chicago, Illinois Construction Fund (Blue Arrow-Douglas, Inc. Project)". The proceeds received by the Issuer upon the sale of the Bond shall be deposited in the Construction Fund which shall be held in a separate account by the depositary. Moneys in the Construction Fund shall be expended in accordance with the provisions of the Agreement, and particularly Section 4.3 thereof.

The Bank, as depositary, shall keep and maintain adequate records pertaining to the Construction Fund and all disbursements therefrom, and after the Project has been completed and a certificate of payment of all costs filed as provided in this Section, the Bank shall deliver copies of such records to the Issuer and the Company.

The completion of the Project and payment of all costs and expenses incident thereto shall be evidenced by the filing with the Issuer and the Bank of a certificate of the Authorized Company Representative required by Section 4.4 of the Agreement. Any moneys thereafter remaining in the Construction Fund shall be applied in accordance with Section 4.3 of the Agreement.

Acquisition of Project and Payment of Amounts Under the Agreement

SECTION 6. It is the declared intention of the Issuer to acquire the Project, to authorize the disbursement of the proceeds of the Bond in order to finance the acquisition, construction and installation of the Project, and to lease or sell the Project to the Company under and pursuant to the Agreement in substantially the form which has been presented to and is hereby approved by the governing body of the Issuer and which is now on file in the official records of the Issuer.

The Mayor is hereby authorized to execute and acknowledge said Agreement for and on behalf of the Issuer, and the City Clerk is hereby authorized to attest same and to affix thereto the corporate seal of the Issuer.

Said Agreement and the revenues and receipts thereof, including all moneys received under its terms and conditions, are to be sufficient to pay the principal installments of and interest on the Bond hereby authorized and are hereby pledged and ordered paid into the Bond Fund. The Agreement provides that the Company shall remit the required rent payments thereunder directly to the Bank for the account of the Issuer for deposit in said Bond Fund and such provision is hereby expressly approved.

Revenues: Bond Fund

SECTION 7. The Bond and all payments required of the Issuer hereunder are not general obligations of the Issuer but are special and limited obligations secured by a mortgage and payable by the Issuer solely and only out of the revenues and receipts derived from the Agreement as provided herein.

There is hereby created by the Issuer and ordered established with the Bank, as depositary, a special fund to be designated "City of Chicago, Illinois Bond Fund (Blue Arrow-Douglas, Inc. Project)" (herein sometimes referred to as the "Bond Fund"), which shall be used to pay the principal installments of and the interest on the Bond.

There shall be deposited into the Bond Fund, as and when received, (a) a sum equal to the accrued interest paid by the purchasers of the Bonds; (b) any amount remaining in the Construction Fund to the extent provided in Section 4.3 of the Agreement; (c) all prepayments specified in Article X of the Agreement; (d) all rental payments and other amounts paid by the Company pursuant to Section 5.3 of the Agreement; and (e) all other moneys received by the Bank under and pursuant to any of the provisions of the Agreement. The Bank is authorized and directed to apply amounts available therefor in the Bond Fund to the payment when due of the principal of and interest on the Bond.

The Issuer covenants and agrees that should there be a default under the Agreement, the Issuer shall fully cooperate with the Bank and with the owners of the Bond to the end of fully protecting the rights and security of such owners. Nothing herein shall be construed as requiring the Issuer to operate the Project or to use any funds or revenues from any source other than funds and revenues derived from the Agreement.

Any amounts remaining in the Bond Fund, after payment in full of the principal installments of and interest on the Bond (or provision for payment thereof as provided in this ordinance) and the charges and expenses of the Bank, shall be paid to the Company upon expiration or sooner termination of the term of the Agreement as provided herein and in Section 11.4 of the Agreement.

Assignment and Mortgage

SECTION 8. As security for the due and punctual payment of the principal installments of and interest on the Bond hereby authorized the Issuer hereby assigns and pledges to the Bank all revenues and receipts derived by the Issuer pursuant to the Agreement (except any payment made pursuant to Section 7.5 of the Agreement relating to indemnification of the Issuer by the Company) and all rights and remedies of the Issuer under the Agreement to enforce payment thereof including a security interest in the Project, and as evidence of such assignment, pledge, and security interest and of the agreement of the Bank to accept its responsibilities with respect to the Bond Fund created pursuant to Section 7 hereof, the Mayor is hereby authorized to execute for and on behalf of the Issuer, the Assignment and the City

Clerk is hereby authorized to attest the same and to affix thereto the corporate seal of the Issuer, and the Mayor and City Clerk are authorized and directed to cause the Assignment to be executed by the Bank, with the Assignment to be in substantially the form which has been presented to and is hereby approved by the governing body of the Issuer and which is now on file in the official records of the Issuer.

As further security for the payment of the principal of and interest on the Bond, the Mayor is hereby authorized to execute and deliver for and on behalf of the Issuer, the Mortgage and the City Clerk is hereby authorized to attest the same and to affix thereto the corporate seal of the Issuer, and said officers are hereby authorized and directed to cause the Mortgage to be recorded in the mortgage records of the office of the County Recorder of Deeds of Cook County, Illinois. The Mortgage shall be in substantially the form which has been presented to and is hereby approved by the governing body of the Issuer and which is now on file in the official records of the Issuer.

Investments: Arbitrage

SECTION 9. Any moneys held as part of the Construction Fund created pursuant to Section 5 hereof, may be invested or reinvested on the direction of the Authorized Lessee Representative, in accordance with the provisions of Section 4.8 of the Agreement. Any such investment shall be held by or under control of the Bank and shall be deemed at all times a part of the Construction Fund and the interest accruing thereon and any profit realized from such investments shall be credited to such fund, and any loss resulting from such investments shall be charged to such fund, which loss shall be an obligation of the Company as provided in the Agreement.

As and when any amount invested pursuant to this Section may be needed for disbursement, the Company may direct the Bank to cause a sufficient amount of the investments to be sold and reduced to cash to the credit of such funds regardless of the loss on such liquidation.

The Bond and the obligation to pay interest thereon are limited obligations of the Issuer, secured by a mortgage and payable solely out of the revenues and receipts derived from the Issuer from the Agreement and otherwise as provided herein and in the Agreeement. The Bond and the obligation to pay interest thereon shall not be deemed to constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any political subdivision thereof, of a charge against their general taxing powers, within the meaning of any constitutional or statutory provision of the State of Illinois.

The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Ordinance, in the Bond and in all proceedings of its governing body pertaining thereto. The Issuer covenants that it is duly authorized under the Constitution and laws of the State of Illinois, including particularly and without limitation the Enabling Ordinance, to issue the Bond authorized hereby, and to pledge and assign the revenues and receipts hereby pledged and assigned in the manner and to the extent herein set forth; that all action on its part for the issuance of the Bond has been duly and effectively taken and that the Bond is and will be a valid and enforceable limited obligation of the Issuer according to the true intent and meaning thereof.

The Issuer covenants that it will execute, acknowledge and deliver such instruments, financing statements and other documents as the owners of the Bond or the Bank may reasonably require for the better assuring, granting, pledging and assigning unto the Bank the interest of the Issuer in the Project, as well as the rights of the Issuer in and to the revenues and receipts hereby assigned and pledged to the payment of the principal installment of and interest on the Bond. The Issuer covenants and agrees that, except as herein and in the Agreement provided, it will not sell, convey, mortgage, encumber or otherwise dispose of any part of the revenues and receipts derived from the Agreement, or of its rights under the Agreement.

The Issuer covenants and agrees that all books and documents in its possession relating to the Project and the revenues and receipts derived from the Agreement shall at all reasonable times be open to inspection by the owners of the Bond or such accountants or other agencies as such owners may from time to time designate.

The Issuer covenants and agrees that it shall through the Bank enforce all of its rights and all of the obligations of the Company under the Agreement for the benefit of the owners of the Bond. No delay or omission to exercise any right, power or remedy accruing upon any event of default shall impair any such right, power or remedy or shall be construed to be a waiver of any such event or default or acquiescence therein; and every such right power or remedy may be exercised from time to time as often as may be deemed expedient.

All moneys received pursuant to any right given or action taken under the provisions of this Section or under the provisions of Article IX of the Agreement (after payments of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Issuer, the Bank or the owners of the Bond) and all moneys in the Construction Fund at the time of the occurrence of an event of default shall be deposited in the Bond Fund and all such moneys in the Bond Fund shall be applied to the payment of the principal installments and interest then due and unpaid upon the Bond to the person entitled thereto.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Bank shall determine, but in any event within fifteen business days after deposit of such moneys in the Bond Fund. The Bank shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date, and shall not be required to make payment to the owner of any Bond until such Bond shall be presented to the Bank for appropriate endorsement or for cancellaton if fully paid.

Whenever all principal installments and interest on the Bond have been paid under the provisions of this Section and all expenses of the Bank and the Issuer have been paid, any balance remaining in the Bond Fund shall be applied to the Company.

With regard to any default concerning which notice is given to the Company under the provisions of this Section, the Issuer hereby grants the Company full authority for account of the Issuer to perform or observe any covenant or obligation alleged in said notice not to have been performed or observed, in the name and stead of the Issuer with full power to do any and all things and acts to the same extent that the Issuer could do in order to remedy such default.

~~9. EQUAL OPPORTUNITY CLAUSE.~~

(The following clause is applicable unless this contract is exempt under the rules, regulations, and relevant orders of the Secretary of Labor (41 CFR, ch. 60).)

During the performance of this contract, the Contractor agrees as follows:

(a) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to, the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Contracting Officer setting forth the provisions of this Equal Opportunity clause.

(b) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.

(c) The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency Contracting Officer, advising the labor union or workers' representative of the Contractor's commitments under this Equal Opportunity clause, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(d) The Contractor will comply with all provisions of Executive Order No. 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

Nothing herein shall require the furnishing to the general public of the use of any facility customarily furnished by the Lessor solely to tenants, their employees, customers, patients, clients, guests and invitees.

(c) It is agreed that the Lessor's noncompliance with the provisions of this section shall constitute a material breach of this lease. In the event of such noncompliance, the Government may take appropriate action to enforce compliance, may terminate this lease, or may pursue such other remedies as may be provided by law. In the event of termination, the Lessor shall be liable for all excess costs of the Government in acquiring substitute space, including but not limited to the cost of moving to such space. Substitute space shall be obtained in as close proximity to the Lessor's building as is feasible and moving costs will be limited to the actual expenses thereof as incurred.

(d) It is further agreed that from and after the date hereof the Lessor will, at such time as any agreement is to be entered into or a concession is to be permitted to operate, include or require the inclusion of the foregoing provisions of this section in every such agreement or concession pursuant to which any person other than the Lessor operates or has the right to operate any facility. Nothing herein contained, however, shall be deemed to require the Lessor to include or require the inclusion of the foregoing provisions of this section in any existing agreement or concession arrangement or one in which the contracting party other than the Lessor has the unilateral right to renew or extend the agreement or arrangement, until the expiration of the existing agreement or arrangement and the unilateral right to renew or extend. Standard Provisions for Highway—Railroad Agreements

1. All of the Company's work shall be performed in accordance with the terms, stipulations and conditions as contained in the Federal-Aid Highway Program Manual, Volume 1, Chapter 4, Section 3, dated April 25, 1975 and any supplements thereto.

2. The Company, for performance of its work, may bill the Road Authority monthly for the Road Authority's share of the actual costs and expenses incurred. These progressive invoices may be rendered on the basis of the estimated percentage of the work completed. The Road Authority after verifying that the bill is reasonable and proper, shall promptly reimburse the Company for 95 percent of the amount billed, but not to exceed the estimated amount.

The Company, upon the completion of its work, shall send the Road Authority a detailed final statement of its actual expense as incurred, including allowable additives. After the Road Authority's representatives have checked the final statement and have agreed that the costs are reasonable and proper, insofar as they are able to ascertain, the Road Authority shall reimburse the Company in an amount, less previous payments, if any, equal to 95 percent of the amount billed.

After the Federal, State or Road Authority representatives have audited the expenses as incurred, by the Company, and final inspection of the installation has been made, the Road Authority shall reimburse the Company for the retained percentage and the suspended items of expense less the deductions of any item (or items) or expense found by Federal, State or Road Authority representatives as not being eligible for reimbursement.

3. It is understood that the project herein contemplated shall be subject to all appropriate Federal laws, rules, regulations, orders and approvals pertaining to all agreements, in general. The use of said guidelines for reimbursement between the parties hereto shall not be deemed to require reimbursement of the Road Authority by the Federal Highway Administration as a condition precedent to the Road Authority's obligation.

4. All work herein provided to be done by the Road Authority or its contractor or contractors on the right-of-way or upon, over, under and across the railroad tracks of the Company shall be done in a manner satisfactory to the Company and shall be performed at such time and in such manner as not to interfere unnecessarily with the movement of trains or traffic upon the tracks of the Company. The Road Authority shall require its contractor or contractors to use all care and precaution necessary to avoid accident, damage or interference to the Company's tracks or to the trains or traffic using its tracks, and to notify the Company a sufficient time in advance whenever the contractor is about to perform work adjacent to the tracks to enable the Company to arrange for, or furnish flagging and such other protective service as might be necessary to insure safety of railroad operations, and the Company shall have the right to furnish all such flagging or protective service as in its judgment is necessary, and the Road Authority or its contractor or contractors shall reimburse the Company for the cost thereof. Wherever safeguarding of trains or traffic of the Company is mentioned in this agreement, it is intended to cover all users of the Company's track having permission for such use.

5. The Road Authority shall require its contractor or contractors, upon completion of the work, to remove all machinery, equipment, temporary buildings, falsework, debris, and rubbish from the Company's right-of-way, to provide proper drainage away from the Company's tracks, and to leave the tracks and right-of-way in a neat condition, satisfactory to the Company's Chief Engineer or his authorized representative.

6. Any contract between the Road Authority and its contractor or subcontractor to perform the work herein provided to be done by the Road Authority shall require the said contractor or subcontractor to protect the Chicago, Milwaukee, St. Paul and Pacific Railroad Company and any other railroad occupying or using the Company's right-of-way or lines of railroad with the permission of the Company party to this agreement, against all loss and damage arising from the activities of the contractor, his forces, or any of his subcontractors or agents, and shall further provide that the contractor shall furnish to the Company a Railroad Protective Liability Insurance Policy providing for protection to the Company, in accordance with the Federal Highway Administration Federal-Aid Highway Program Manual Vol. 6, Ch. 6, Sec. 2, Subsec. 2, dated April 25, 1975. The limits of such policy shall be not less than $500,000.00 for all damages arising out of bodily injuries to or death of one person, and subject to that limit for each person, a total of $1,000,000.00 for all damages arising out of bodily injuries to or death of two or more persons in any one occurrence; and not less than $500,000.00 for all damages arising out of injury to or destruction of property in any one occurrence, and, subject to that limit for any one occurrence, a total limit of $1,000,000.00 for all damages arising out of injuries to or destruction of property during the policy period. Said insurance shall be delivered to and approved by the Company prior to the entry upon or use of its property as to commencement of work upon, over, under, and across or adjacent to the tracks of the Company by any contractor.

7. Subsequent to the award of any contract, and before any work is started on this project, a conference shall be held between the representatives of the Road Authority, the Company, and the interested contractor at a time and place as designated by the Road Authority, for the purpose of coordinating the work to be performed by the several parties, and at such time a schedule of operations will be adopted.

8. The Company will credit the Road Authority for the salvage value of all track, communication and signal line materials used on a temporary basis during the construction of the project, and accepted by the Company for return to its stock. Such salvage value is to be computed in accordance with the regulations set forth in said Federal-Aid Highway Program Manual.

   The Road Authority shall be afforded a reasonable opportunity to inspect materials recovered by the Company prior to disposal by sale or scrap. The Company will give written notice, or oral notice with prompt written confirmation, to the Road Authority of the time and place where such materials will be available for inspection.

9. The Company's estimates provide for reimbursement to the Company for the premium cost of purchase by the Company of Comprehensive Risk Insurance to protect said Company and the Road Authority from claims to which they may become legally liable as a result of the force account work to be performed by the Company's forces as required by this agreement. Such Comprehensive Risk Insurance shall be in lieu of self-insurance for Workmen's Compensation and Public Liability and Property Damage as provided in said Federal Highway Administration Federal-Aid Highway Program Manual. Coverage of Railroad Comprehensive Risk Insurance shall be $1,000,000.00 combined single limit of liability for Bodily Injury/Property Damage.

10. When the roadway is to be closed to vehicular traffic while the Railroad work is being performed, the Road Authority at its expense shall furnish, erect, maintain and remove the traffic control devices necessary to detour highway traffic after the Company gives two weeks' advance notice to the Road Authority's Engineer. When the Company is to perform its work while maintaining highway traffic, the Road Authority shall furnish or cause to be furnished, at its expense, the signs, barricades and traffic control devices for erection by the Company after two weeks' advance notice is given the Road Authority's Engineer. The Company, at the expense of the Road Authority shall erect, maintain, relocate and remove the signs, barricades, and other traffic control devices, including the furnishing of flagmen, as required to maintain highway traffic throughout the time the railroad work is being performed.

The Licensee shall pay the Railroad Company the sum of $ 144.00 per annum ~~basis~~, payable in advance as rental for the permission herein granted, and shall assume and pay all taxes and assessments that may be levied or assessed against the pipe line, or against the Railroad Company's property by reason of the location of the pipe line thereon. While this agreement remains in effect, the Railroad Company reserves the right to adjust said rental after the first year upon thirty (30) days written notice prior to the anniversary date of this agreement. This provision for payment shall in no way restrict the Railroad Company's right of termination under Paragraph 11 hereof. ~~Acceptance of any payment for any five year period, even though it has been demanded and payment made thereof, shall not constitute an agreement as to the amount of payment to be paid during each succeeding period.~~

3. The Licensee, after first securing all necessary public authority, shall at the Licensee's sole expense install and thereafter maintain the pipe line upon and across the Railroad Company's property and underneath any railroad tracks located thereon at the above described location, in a manner satisfactory to the Railroad Company's Chief Engineer, and in strict conformity with the requirements of all laws, ordinances and orders of competent public authority now existing and future modifications thereof, so as not to endanger the safety of railroad or other operations upon said property and so as not to endanger the safety of the persons or property near or adjacent to the Railroad Company's property.

4. The Licensee shall be responsible for determining the location and existence of any pipes, wires, conduits, sewers, piling or other obstructions to the construction of Licensee's pipe line and shall indemnify Railroad Company for any and all liability for damage to the foregoing pipes, wires, conduits, sewers, piling or other obstructions, if any, caused by the construction or maintenance of Licensee's pipe line. The Railroad Company makes no representation by the granting of this license that its property is free of any such pipes, wires, conduits, sewers, piling or other obstructions.

5. The Licensee shall not carry on any work in connection with the installation, maintenance, repair, changing or renewal of the pipe line underneath or in close proximity to any railroad track at the above described location before giving the Regional Engineer at least three days' written notice at his headquarters located at . Stevens Point, Wisconsin and not until an authorized representative of the Railroad Company shall be present to supervise same. Upon bills being rendered therefore, the Licensee shall promptly reimburse the Railroad Company for all expenses incurred by it in connection with such supervision, including all labor costs for flagmen supplied by the Railroad Company to protect railroad operations, and for the entire cost of the furnishing, installation and later removal of any temporary supports for said tracks, which said Chief Engineer or his authorized representative may consider necessary while such work is in progress.

6. The Licensee at the Licensee's sole expense, whenever notified to do so, shall promptly make such repairs to or changes in the pipe line, including change in location, as said Chief Engineer or his authorized representative shall for any reason consider necessary and require. The Railroad Company shall have the right, at its election, to make emergency repairs to the pipe line, and in such event the Licensee, upon bills being rendered therefore, will promptly reimburse the Railroad Company for all expenses incurred in connection therewith.

7. Maintenance and use of the pipe line upon and across the Railroad Company's property at the above described location, however long continued, shall not vest in the Licensee any rights adverse to those of the Railroad Company.

8. The Licensee shall assume all risk of damage to or destruction of the pipe line through any cause whatsoever while located upon and across the Railroad Company's property, and shall at all times fully indemnify the Railroad Company against all liability, claims, demands, suits, judgments, costs and expenses by reason of loss of or damage to property and injury to or death of persons whatsoever or whomsoever, in any manner arising from or growing out of, directly or indirectly, wholly or in part, the installation, maintenance, repair, changing, renewal, existence or removal of the pipe line upon, across or from the Railroad Company's property at the above described location.

9. The waiver by the Railroad Company of a breach by the Licensee of any provision hereof, shall be limited to the act or omission constituting such breach, and shall not constitute a continuing or permanent waiver.

10. This agreement or the permission herein granted shall not be assigned or transferred by the Licensee in any manner, by operation of law or otherwise, without the written consent of the Railroad Company. Subject thereto, this agreement shall inure to the benefit of, and be binding upon, the successors, assigns and legal representatives of the respective parties.

11. This agreement shall continue in effect until terminated by either party upon thirty (30) days' written notice to the other party. Any notice given by the Railroad Company hereunder shall be good if deposited in a United States post office, certified mail, addressed to the Licensee at the Licensee's last known address. When so terminated, the Railroad Company shall make proportionate refund to the Licensee of rental that shall have been paid in advance after deduction of any amounts payable by the Licensee hereunder.

12. The Licensee at the Licensee's sole expense, within thirty days from the date of service of notice of termination as above provided, shall take up and remove the pipe line from the Railroad Company's property at the above described location and restore said property to a condition satisfactory to said Chief Engineer. Failure on the part of the Licensee to do so shall constitute an abandonment of the pipe line by the Licensee, and the Railroad Company shall then have the right, at its election, to disconnect the pipe line at the points where it enters and leaves the Railroad Company's property, or to take up and remove the whole or any part of the pipe line from said property and perform said work of restoration, and in either event the Licensee, upon a bill being rendered therefore, shall promptly reimburse the Railroad Company for all expenses incurred in connection therewith, plus fifteen per cent.

13. The Railroad Company shall not be required to assume any portion of the cost of the construction of said pipe line or future maintenance thereof.

14. Additional provision set forth in Sections 15, 16 and 17,.

15. Should the Licensee employ a contractor to install said pipe line and before the commencement of any work in connection with said installation at the above described location, the Licensee shall require that said contractor shall furnish to the Railroad Company a railroad protective liability policy insuring the railroad company with an insurer to be approved by the Chief Engineer of the Railroad Company or his authorized representative, and in such form as the Chief Engineer of the Railroad Company, or his authorized representative, shall approve. Such policy shall cover the assumption of risk and indemnity with limits of liability of not less that $500,000.00 on account of injury to or death of one person and $1,000,000.00 on account of injury to or death of more than one person in any one accident, and of not less than $500,000.00 on account of damage to property in any one incident and, subject to the same limit of each incident, of not less than $1,000,000.00 as the total aggreagate limit for all damage to property.

16. No work is to be performed in the vicinity of the tracks until our Chief Engineer has been furnished the complete plans for the method of installation and our Chief Engineer has a proper understanding with the contractor as to the exact proceedures based on these design plans.

17. Soil borings must be taken, one on each side of the track and one in between with a complete log of the materials encountered.

IN WITNESS WHEREOF, the parties hereto have caused this agreement to be duly executed, as of the day and year first above written.

COMMITTEE ON CULTURAL AND ECONOMIC DEVELOPMENT.

Designation of Emil Bach House as "Chicago Landmark".

The Committee on Cultural and Economic Development submitted the following report:

CHICAGO, September 20, 1977.

To the President and Members of the City Council:

Your Committee on Cultural and Economic Development having had under consideration a communication signed by Mr. Samuel A. Lichtmann, Chairman of the Chicago Commission on Historical and Architectural Landmarks (referred to your committee on July 7, 1977) to designate the Emil Bach House as a Chicago Landmark, begs leave to recommend that your Honorable Body *Pass* the proposed ordinance, which is transmitted herewith.

This recommendation was concurred in by all members of the committee, with no dissenting vote.

Respectfully submitted,
(Signed) EDWIN P. FIFIELSKI,
Chairman.

On motion of Alderman Fifielski the proposed ordinance transmitted with the foregoing committee report was *Passed,* by yeas and nays as follows:

Yeas—Aldermen Roti, Barnett, Kenner, Evans, Lathrop, Sawyer, Wilinski, Humes, Adduci, Vrdolyak, Huels, Kwak, Madrzyk, Jaksy, Shannon, Kellam, Joyce, Kelley, Stewart, Stemberk, Lipinski, Rhodes, Marzullo, Zydlo, Ray, Washington, Cross, Keane, Gabinski, Mell, Frost, Laskowski, Aiello, Casey, Pucinski, Natarus, Oberman, Simpson, Fifielski, Schulter, Saperstein, Stone—42.

Nays—None.

Alderman Natarus moved to *Reconsider* the foregoing vote. The motion was *Lost.*

The following is said ordinance as passed:

WHEREAS, Pursuant to Chapter 21, Section 21-64 of the Municipal Code of Chicago, the Commission on Chicago Historical and Architectural Landmarks had determined that the structure known as the Emil Bach House, located at No. 7415 N. Sheridan Road, Chicago, Illinois, is worthy of designation as a "Chicago Landmark"; and

WHEREAS, The Emil Bach House was designed by Frank Lloyd Wright in 1915, was one of Wright's last small urban commissions, is one of the few Frank Lloyd Wright houses in the City of Chicago, and is widely noted internationally and in many publications; and

WHEREAS, The Emil Bach House is the last example of a Prairie House designed by Wright, a style developed in what has been called the first golden age of Frank Lloyd Wright, and reflects Wright's conviction that privacy was becoming increasingly important to the design of the house. This house, basically a cube designed to be built inexpensively for Wright's idea of the common man, and which follows the model of the four-square house of 1906, was an enormous influence on the design of houses throughout the Midwest and throughout the United States; and

WHEREAS, The Emil Bach House, designed by Frank Lloyd Wright, was the product of one of the most important and influential architects in this century, and incorporates his concept of spatial continuity between the geometrically-defined interior volumes and the exterior, reflecting his fundamental desire to join man with the setting around him. The Emil Bach House, an example of these fundamental principles, also represents a shift in Wright's philosophy reflected in the subtle stylistic variations in architecture present throughout the house; and

WHEREAS, The Emil Bach House is a striking example of the architecture of Frank Lloyd Wright by the nature of its physical location on a street lined with high-rises, with its dimensions, compared to those of the surrounding structures, drawing attention to the house as does the "semi-cubist" design of the facade. Built upon a large lot on North Sheridan Road, it is one of the last remaining houses of this quality and merit; and

WHEREAS, The Commission on Chicago Historical and Architectural Landmarks has concluded that the Emil Bach House is truly important to Chicago, and deserves to be preserved, protected, enhanced, rehabilitated and perpetuated; and the Commissioner of Development and Planning of the City of Chicago and the City Council Committee on Cultural and Economic Development have concurred in the Commission's recommendation that the Emil Bach House be designated as a Chicago Landmark; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The structure known as the Emil Bach House, located on property legally described as:

the south 5 feet of Lot 5 and north 55 feet of Lot 6 in Block 11 of Birchwood Beach, a Subdivision of a part of Section 29-41-14, lying South of the Indian Boundary Line,

and commonly known as No. 7415 N. Sheridan Road, Chicago, Illinois, is hereby designated as a "Chicago Landmark" in accordance with the provisions of Chapter 21, Section 21-64(f) of the Municipal Code of Chicago.

SECTION 2. The Commission on Chicago Historical and Architectural Landmarks is hereby directed to create a suitable plaque appropriately identifying said landmark and to affix said plaque to the property designated as a Chicago Landmark in accordance with the provisions of Section 21-64(f) of the Municipal Code of Chicago.

SECTION 3. The Commission on Chicago Historical and Architectural Landmarks is directed to comply with the provisions of Section 21-64(g) of the Municipal Code of Chicago.

SECTION 4. This ordinance shall take effect on and after the date of its due passage and publication.

The Committee on Cultural and Economic Development submitted the following report:

CHICAGO, September 20, 1977.

To the President and Members of the City Council:

Lichtmann, Chairman of the Chicago Commission on Historical and Architectural Landmarks (referred to your committee on July 7, 1977) to designate the Samuel M. Nickerson House as a Chicago Landmark, begs leave to recommend that your Honorable Body *Pass* the proposed ordinance, which is transmitted herewith.

This recommendation was concurred in by all members of the committee, with no dissenting vote.

Respectfully submitted,
(Signed) EDWIN P. FIFIELSKI,
Chairman.

On motion of Alderman Fifielski the proposed ordinance transmitted with the foregoing committee report was *Passed,* by yeas and nays as follows:

Yeas—Aldermen Roti, Barnett, Kenner, Evans, Lathrop, Sawyer, Wilinski, Humes, Adduci, Vrdolyak, Huels, Kwak, Madrzyk, Jaksy, Shannon, Kellam, Joyce, Kelley, Stewart, Stemberk, Lipinski, Rhodes, Marzullo, Zydlo, Ray, Washington, Cross, Keane, Gabinski, Mell, Frost, Laskowski, Aiello, Casey, Pucinski, Natarus, Oberman, Simpson, Fifielski, Schulter, Saperstein, Stone—42.

Nays—None.

Alderman Natarus moved to *Reconsider* the foregoing vote. The motion was *Lost.*

The following is said ordinance as passed:

WHEREAS, Pursuant to Chapter 21, Section 21-64 of the Municipal Code of Chicago, the Commission on Chicago Historical and Architectural Landmarks has determined that the structure known as the Samuel M. Nickerson House, located at No. 40 E. Erie Street, Chicago, Illinois, is worthy of designation as a "Chicago Landmark"; and

WHEREAS, The Samuel M. Nickerson House is a particularly rich example of the type of home built by Chicago's elite during the city's Victorian era, a period during which historical styles were revived and an excess of ornament became the vogue. During this period the homes of men like Nickerson fostered this trend toward an extravagant and unequaled display of expensive taste and very few houses of such overwhelming richness survive today as examples of that elegant period; and

WHEREAS, Samuel M. Nickerson, as an active and prominent participant in Chicago's financial circles as well as in the city's burgeoning cultural life, joined with several other businessmen to found the First National Bank of Chicago and was named its president in 1867, went on to found and act as president of the Union Stockyards National Bank; was instrumental in promoting Chicago's development and cultural growth as a tireless devotee of the fine arts, serving as director of the Chamber of Commerce in 1864 and as a member of the Lincoln Park Board of Commissioners; and who served as a trustee of the Art Institute from its incorporation in 1879 and supported it with personal contributions from his own collections; and

WHEREAS, The Samuel M. Nickerson House is the epitome of the opulent Victorian interiors in Chicago, lavishly decorated and featuring the use of marble and rich woods throughout its interior, many of the rooms containing built-in furniture and fireplaces which are faced with carved and inlaid wood and incorporate tile and mosaics into their design; and in which parquet floors, carved wood trims, and lavish wall coverings vary from room to room in astonishing richness; and

WHEREAS, The Samuel M. Nickerson House, designed in 1881 and completed in 1883, is a product of lengthy preparations and particularly solid construction (necessary to house the heavy and elaborate marble interior, the most impressive feature of the house), and is faced on the exterior in grey limestone over foot-thick brick bearing walls with rusticated sandstone at the basement levels, which gives an over-all striking impression of the volume and grandeur of the house. The clean image of the symmetry of the house is carried through in the design of each facade, and features such architectural characteristics as a granite column-supported balcony off the second story; large double-hung and bay windows flanked by strongly-defined piers and topped by sandstone lintels; a frieze of alternating vertical bands and rosettes which accent the projecting sandstone cornice; and stringcourses running between each of the three stories which serve to balance the vertical emphasis of the piers; and

WHEREAS, The Samuel M. Nickerson House was designed and constructed by Edward Burling, of the firm of Burling and Whitehouse, who was one of the first architects of the City of Chicago receiving commissions for many of Chicago's early buildings, most notably the Tribune Building, Chamber of Commerce Building, Post Office Building, First National Bank Building, Holy Name Cathedral and St. James Episcopal Church, most of which were later destroyed by the fire of 1871; and whose firm's most notable residential commission was Samuel M. Nickerson's home; and

WHEREAS, The Samuel M. Nickerson House has been the dominant feature of the corner of Wabash and Erie Streets since 1883, a constant visual reminder of the opulence of Chicago's Victorian era, and the history of which is also detailed on a sign placed in front of the house calling the attention of passersby; and

WHEREAS, The Commission on Chicago Historical and Architectural Landmarks has concluded that the Samuel M. Nickerson House is truly important to Chicago, and deserves to be preserved, protected, enhanced, rehabilitated and perpetuated; and the Commissioner of Development and Planning of the City of Chicago and the City Council Committee on Cultural and Economic Development have concurred in the Commission's recommendation that the Samuel M. Nickerson House be designated as a Chicago Landmark; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The structure known as the Samuel M. Nickerson House, located at No. 40 E. Erie Street, Chicago, Illniois, on property legally described as:

the west 71.0 feet of the south half of Block 40 of Kinzie's Addition to Chicago, being a Subdivision of the North fractional Section 10, Township 39 North, Range 14 East of the 3rd Principal Meridian, in Cook County, Illinois,

is hereby designated as a "Chicago Landmark" in accordance with the provisions of Chapter 21, Section 21-64(f) of the Municipal Code of Chicago.

SECTION 2. The Commission on Chicago Historical and Architectural Landmarks is hereby directed to create a suitable plaque appropriately identifying said landmark and to affix said plaque to the property designated as a Chicago Landmark in accordance with the provisions of Section 21-64(f) of the Municipal Code of Chicago.

SECTION 3. The Commission on Chicago Historical and Architectural Landmarks is directed to comply with the provisions of Section 21-64(g) of the Municipal Code of Chicago.

SECTION 4. This ordinance shall take effect on and after the date of its due passage and publication.

Douglas won his bid for re-election to the Senate, but lost the race for the presidency in 1860 to Lincoln; and

WHEREAS, In the United States Senate, Stephen A. Douglas sponsored a bill that led to the construction of the Illinois Central Railroad and insured that the railroad would be routed through Chicago; and

The following is said ordinance as passed:

WHEREAS, Pursuant to Chapter 21, Section 21-64 of the Municipal Code of Chicago, the Commission on Chicago Historical and Architectural Landmarks has determined that the structure known as the Krause Music Store, located at No. 4611 N. Lincoln Avenue, Chicago, Illinois, is worthy of designation as a "Chicago Landmark"; and

WHEREAS, On the basis of a careful consideration of the history and architecture of the structure, the Commission has found that it meets the following criteria as set forth in Chapter 21, Section 21-64(b) of the Municipal Code of Chicago:

1) Its character, interest or value as part of the development, heritage or cultural characteristics of the City of Chicago, State of Illinois, or the United States.

6) Its embodiment of distinguishing characteristics of an architectural type or specimen.

7) Its identification as the work of an architect or master builder whose individual work has influenced the development of the City of Chicago.

10) Its unique location or singular physical characteristic representing an established and familiar visual feature of a neighborhood, community or the City of Chicago; and

WHEREAS, The facade of the Krause Music Store was the last work of Chicago's famed architect Louis Sullivan, whose earlier work had included the Carson Pirie Scott & Company Building and the Auditorium Building, both designated as "Chicago Landmarks." The decorative treatment of the Krause Music Store facade is a signficant last expression of his life-long philosophy of an organic, functional architecture, and is the only Chicago example of Sullivan's highly ornamented commercial buildings designed in his last years. The elaborate relief ornament of the Krause Music Store sets it apart from the other more conventional store fronts of the neighborhood. The Krause Music Store was commissioned in 1921 by William P. Krause who selected his neighbor, the architect William Presto, to design a store with a second-floor apartment for the Krause family, and Presto, in turn, asked the assistance of his friend, Louis Sullivan, in the design of the facade; and

WHEREAS, The ornament of the Krause Music Store enhances the basic forms that follow the building's function as a store and flat building, serving, especially in the lower half, as a frame for the picture window meant for the display of musical instruments. The decoration is purely American, with a richness and extravagance tempered by a deeply felt discipline; and

WHEREAS, Louis Sullivan was one of the greatest creative sources in the history of architecture, central to the Chicago School of Architecture, a great architectural designer, an influential architectural theoretician and a creative inventor of architectural ornament; and

WHEREAS, The Commission on Chicago Historical and Architectural Landmarks has concluded that the Krause Music Store is truly important to Chicago, and deserves to be preserved, protected, enhanced, rehabilitated and perpetuated; and the Commissioner of Development and Planning of the City of Chicago and the City Council Committee on Cultural and Economic Development have concurred in the Commission's recommendation that the Krause Music Store be designated as a Chicago Landmark; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The structure known as the Krause Music Store, located on property legally described as:

Lot 232 in Circuit Court Partition of Part of Lot 1 lying East of Lincoln Avenue in Circuit Court Partition of West ½ of Northwest ¼, Section 18, Township 40 North, Range 14 East of the Third Principal Meridian,

and commonly known as No. 4611 N. Lincoln Avenue, Chicago, Illinois, is hereby designated as a "Chicago Landmark" in accordance with the provisions of Chapter 21, Section 21-64(f) of the Municipal Code of Chicago.

SECTION 2. Notwithstanding Chapter 21, Section 21-64.1(a) of the Municipal Code of Chicago, no application for building permits for alteration, construction, reconstruction, demolition or addition to the subject property need be approved by the Commission on Chicago Historical and Architectural Landmarks except those permits for such work upon, or which will affect the appearance of, the west facade of the structure.

SECTION 3. The Commission on Chicago Historical and Architectural Landmarks is hereby directed to create a suitable plaque appropriately identifying said landmark and to affix said plaque to the property designated as a Chicago Landmark in accordance with the provisions of Section 21-64(f) of the Municipal Code of Chicago.

SECTION 4. The Commission on Chicago Historical and Architectural Landmarks is directed to comply with the provisions of Section 21-64(g) of the Municipal Code of Chicago.

SECTION 5. This ordinance shall take effect on and after the date of its due passage and publication.

WHEREAS, On the basis of a careful consideration of the history and architecture of the structure, the Commission has found that it meets the following criteria as set forth in Chapter 21, Section 21-64(b) of the Municipal Code of Chicago:

1) Its character, interest, or value as part of the development, heritage or cultural characteristics of the City of Chicago, State of Illinois, or the United States.

6) Its embodiment of distinguishing characteristics of an architectural type of specimen.

7) Its identification as the work of an architect or master builder whose individual work has influenced the development of the City of Chicago.

9) Its relationship to other distinctive areas which are eligible for preservation according to a plan based on an historic, cultural, or architectural motif.

10) Its unique location or singular physical characteristic representing an established and familiar visual feature of a neighborhood, community or the City of Chicago; and

WHEREAS, The Second Presbyterian Church traces its beginnings to 1835, when the members of the congregation formally incorporated as the First Presbyterian Church and Society of Chicago, and was established as the Second Presbyterian Church in 1842 as a result of a split over the issue of slavery. When the church building, designed by James Renwick, was destroyed in the Great Fire of 1871, the congregation moved to the present location at Michigan Avenue and Twentieth Street, which was dedicated in 1873. Many of the members of the Church came from families who contributed greatly to the growth of Chicago's business community, including the Glessners, the Pullmans, the Armours, the Reids, the Kelloggs, the Crerars, the Blackstones, the Ishams, and the Cobbs. An architect of the church, Howard Van Doren Shaw, as well as Mrs. Abraham Lincoln and her son Robert Todd Lincoln, were also members of the Church, which stands as an imposing reminder of this period in Chicago's history; and

WHEREAS, The Second Presbyterian Church is a handsome limestone Gothic Revival structure, exemplified through its graceful arches, slender pillars, and handsomely carved doors, and is especially noted for its magnificent stained-glass windows and its fine frescoes; the windows designed by Edward P. Sperry when he was employed in Louis C. Tiffany's famous glass and decorating firm in New York, are made of favrile glass (a glass of delicate design with an irridescent surface); and

WHEREAS, The original Second Presbyterian Church was designed by John Renwick of the New York firm of Renwick and Sands, one of America's foremost Gothic revival architects whose work includes Grace Episcopal Church and St. Patrick's Cathedral in New York City. After the fire, in 1900, the services of the well-known Chicago architect Howard Van Doren Shaw and noted Chicago artist Frederick Clay Bartlett were engaged, with several of the interior windows designed by the firm of Louis C. Tiffany; and

WHEREAS, The location of the Second Presbyterian Church is a site close to the Prairie Avenue Historic District, which contains the mansions of many of the prominent Chicagoans who were members of the congregation at the Second Presbyterian Church, and is the only building of its era that is immediately visible to the pedestrian and vehicular traffic along well-traveled Michigan Avenue, making it a familiar and readily recognizable reminder of the history of the Near South Side; and

WHEREAS, The Commission on Chicago Historical and Architectural Landmarks has concluded that the Second Presbyterian Church is truly important to Chicago, and deserves to be preserved, protected, enhanced, rehabilitated and perpetuated; and the Commissioner of Development and Planning of the City of Chicago and the City Council Committee on Cultural and Economic Development have concurred in the Commission's recommendation that the Second Presbyterian Church be designated as a "Chicago Landmark"; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

Hull, whose home became Hull House; Eugene Field, the poet; Philip Henrici, the Restaurateur; Haddon Sundblom, who created the man on the Quaker Oats box, Aunt Jemima, and Santa Claus for the Coca Cola Company; Johnny Weissmuller; Ben Turpin; Francis X. Bushman; and Charlie Chaplin; and

WHEREAS, The German cultural heritage of the Old Town Triangle District bound together the original settlers and later inhabitants around St. Michael's Catholic Church and St. James German Evangelical Church; and the cultural traditions continue today in the Germania Club and the Menomonee Club; and the district today provides a home for many Chicago artists and an important art fair; and

WHEREAS, Many of the homes in the district are typical of the urban housing that characterized American cities in the late nineteenth century: flat- or bay-fronted, tall and narrow in proportion, and usually two or three stories tall. The architectural character of the residences in Old Town has changed little since that time, and new construction in the area has not detracted from the neighborhood. The Old Town Triangle District is an outstanding example closest to the center of the City of the original concept of a residential neighborhood in an urban society; and

WHEREAS, The Old Town Triangle District contains many excellent examples of the architectural styles that were popular in Chicago during the latter part of the nineteenth century, such as the Italianate and Greek Revival ornamental styles, the Queen Anne style, which is characterized by contrasting building materials, a variety of textures, and an assortment of oriel windows, dormers, terra-cotta ornament, and porches with intricately-turned supports and the Chicago Cottages, a particular building style developed during Chicago's rapid period of development before the fire of 1871 employing a method of construction known as balloon framing, which used lightweight wooden studs, joists, and rafters. Many of these houses exhibit the ornamental plaster work of John A. Boland, who was known for his outstanding work at the World's Columbian Exposition, and reminiscent of interiors in Ireland by the Italian struccadores under architect Richard Castle; and

WHEREAS, The Old Town Triangle District was one of the first neighborhoods in Chicago to be revitalized and restored after the Second World War, becoming one of the most valued areas in the city, and remains today an historic neighborhood with many of the traditions important to the city; and

WHEREAS, The Commission on Chicago Historical and Architectural Landmarks has concluded that the Old Town Triangle District is truly important to Chicago, and deserves to be preserved, protected, enhanced, rehabilitated and perpetuated; and the Commissioner of Development and Planning of the City of Chicago and the City Council Committee on Cultural and Economic Development have concurred in the Commission's recommendation that the Old Town Triangle District be designated as a Chicago Landmark; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Old Town Triangle District, as described in the Appendix hereto, which Appendix is incorporated by reference as if fully set forth herein, is hereby designated a "Chicago Landmark" in accordance with the provisions of Chapter 21, Section 21-64(f) of the Municipal Code of Chicago.

SECTION 2. Notwithstanding Chapter 21, Section 21-64.1(a) of the Municipal Code of Chicago no application for building permits for alteration, construction, reconstruction, demolition of or making additions to structures located within the Old Town Triangle District need be approved by the Commission on Chicago Historical and Architectural Landmarks except those permits for such work within, or which will affect the appearance of, the exterior of any such structure.

SECTION 3. The Commission on Chicago Historical and Architectural Landmarks is hereby directed to create a suitable plaque appropriately identifying said landmark and to affix said plaque to the property designated as a Chicago Landmark in acordance with the provisions of Section 21-64(f) of the Municipal Code of Chicago.

SECTION 4. The Commission on Chicago Historical and Architectural Landmarks is directed to comply with the provisions of Section 21-64(g) of the Municipal Code of Chicago.

SECTION 5. This ordinance shall take effect on and after the date of its passage.

At this point in the Proceedings, Alderman Fifielski called the Council's attention to the presence of Maurice Forkert, President of the Old Town Triangle Association, who was warmly applauded.

Any signs so placed on the premises shall also be placed on the understanding and agreement that Sublessee shall remove these signs or symbols at the termination of the tenancy herein created and repair any damage or injury to the premises caused thereby. If not so removed by Sublessee, then Lessee may have the signs or symbols removed at the expense of the Sublessee.

If the premises or any part thereof are appropriated or taken for any public use by virtue of eminent domain or condemnation proceedings, or if by reason of law, ordinance or by court decree, whether by consent or otherwise, the use of the premises by Sublessee for any of the specific purposes referred to herein shall be prohibited. Sublessee shall have the right to terminate this lease on written notice to Lessee, and rental shall be paid only to the time when Sublessee surrenders possession of the premises. In the event of partial appropriation, Sublessee may elect to continue in possession of that part of the premises not so appropriated under the same terms and conditions hereof, except that in these cases Sublessee shall be entitled to an equitable reduction of the rental payment hereunder. Any rental paid in advance beyond the time that the property has been taken from Sublessee shall be returned by Lessee to Sublessee on demand. Sublessee does not waive any right to recover from the condemnation authority for any damage that may be suffered by Sublessee by reason of any condemnation.

Section Seventeen

Default of Sublessee

If any rents reserved, or any part thereof, shall be and remain unpaid when these rents shall become due, or if Sublessee violates or defaults in any of the provisions of this sublease, then Lessee may cancel this sublease by giving the notice required herein, and re-enter the premises. Notwithstanding any re-entry, the liability of Sublessee for the rents shall not be extinguished for the balance of the term hereof, and Sublessee shall make good to Lessee any deficiency arising from a re-entry and reletting of the premises at a reduced rental. Sublessee shall pay any deficiency on the first day of each month immediately following the month in which the amount of deficiency is ascertained by Lessee.

This Sublease Agreement is subject and subordinate to all procured or underlying leases and to all mortgages which may now or hereafter affect such leases or the real property of which the Leased Space forms a part, and all renewals, modifications, consolidations, replacements and extensions thereof. This provision shall be self-operative and no further instrument of subordination shall be required by any mortgagee. In confirmation of such subordination, the Tenant shall execute promptly any certificate that Continental may request, and the Tenant hereby constitutes and appoints Continental as the Tenant's attorney-in-fact to execute and deliver any such certificate or certificates for and on behalf of the Tenant. However, so long as the Tenant is not in default in the payment of rental or in the performance of any of the obligations of the Tenant created hereunder, during the term hereof the Tenant shall have quiet and peaceable possession, use and enjoyment of the Exclusive Space.

Notwithstanding the foregoing, this Sublease Agreement and the promises and covenants contained herein are subject and subordinate to the Basic Lease, a copy of which has been given to the Tenant; and the Tenant hereby covenants and agrees, for the benefit of Continental and the City, that it shall not, by its use and occupancy of the Leased Space, violate any of the provisions of the Basic Lease and that it shall faithfully perform all of the obligations of the Lessee thereunder insofar, but only insofar, as such obligations relate and pertain to the Leased Space (provided, however, that nothing herein contained shall obligate the Tenant to perform any obligation imposed upon Continental hereunder or to pay rental unto the City, which obligations shall be the sole responsibility of Continental).

9. *Services and Utilities.*

Continental shall furnish, without additional cost or expenses to Tenant, the services and utilities set forth below; provided, however, Continental shall not be liable for any loss or damage caused by or resulting from any variation, interruption or failure of said services and utilities arising out of any cause whatever, but in the event any such variation, interruption or failure of said services and facilities shall occur, Continental shall use its best reasonable efforts, exercising due diligence, to cause the resumption of such utilities and services:

A) Potable domestic water in both the Exclusive Space and the Common Space, and sanitary sewer water in the Exclusive Space. All electricity used or consumed by the Tenant, including that used for the lighting described in this subparagraph D, shall be separately metered and the cost thereof, including utility connecting charges and deposits, if any, shall be paid entirely by the Tenant. The gas used or consumed at the Continental Air Cargo Facility shall not be separately metered and Continental shall pay the monthly charges therefor, but the Tenant shall reimburse Continental monthly upon invoice for that portion of the gas deemed to have been used or consumed on behalf of the Tenant, including gas used or consumed for heating, as determined by allocating to the Tenant that portion of each monthly gas bill is equal to the amount of Exclusive Space leased to the Tenant in the Continental Air Cargo Facility during the month to which the gas bill relates as compared with (i) the total amount of space subleased for the exclusive use of all sublessees in the Continental Air Cargo Facility during such month and (ii) the amount of space exclusively occupied by Continental in the Continental Air Cargo Facility during such month.

B) The tenant shall maintain and keep the Continental Air Cargo Facility in a tenantable condition and a good state of repair as follows:

(3) The Tenant shall perform all maintenance and repair of the portion of the Continental Air Cargo Facility structure located within the Leased Space, or systems located therein, required as a result of or attributed to any negligent act or omission of the Tenant, its officers, employees, agents, business invitees or guests.

C) In the event the Tenant fails to perform, for a period of twenty (20) days after notice from Continental so to do, any obligation of the Tenant set forth in this paragraph 10, Continental may enter upon the Leased Space (without causing or constituting a termination of this Sublease Agreement and without causing or constituting an interference with the use or possession of the Leased Space by the Tenant) and do all things necessary to perform such obligation, charging to the Tenant the cost and expense thereof and the Tenant agrees to pay Continental such charge in addition to any other amounts payable by the Tenant hereunder; provided, however, if the Tenant's failure to perform any such obligation endangers the safety or use of the Continental Air Cargo Facility by the public, Continental, or the other tenants of the Continental Air Cargo Facility, and Continental so states in its notice to the Tenant, Continental may perform such obligation of the Tenant at any time after the giving of such notice and charge to the Tenant, and the Tenant shall pay, as above provided, the cost and expense of such performance.

11. *Fixtures and Alterations.*

The Tenant may, with the prior written approval of Continental, and, if requested by Continental, with the prior written approval of the Commissioner of Aviation and the Commissioner of Public Works of the City, and after obtaining all requisite building or construction licenses or permits, at its own cost and expense, erect or install in or upon the Exclusive Space any machinery, equipment, appliances, fixtures or improvements or do or make any alterations or remodeling, or perform interior decorating. Any machinery, equipment, appliances, fixtures, improvements and other property bought, installed, erected or placed by the Tenant in, on or about the Exclusive Space shall be deemed to personalty and remain the property of the Tenant, and the Tenant shall have the right, at any time during the term of this Sublease Agreement, to remove any or all of its property, subject to the Tenant's obligation to repair damage, if any, resulting from such removal. 12. *Indemnity.*

The Tenant covenants and agrees at all times to indemnify and hold Continental harmless from and against any and all claims, demands, liabilities, judgments, loss, costs, damages and expenses of any nature whatsoever (including the cost of investigating and defending any alleged claims, demands, liability, judgements, loss, costs, damages and expenses, and attorney's fees and expenses incurred in connection therewith) which may arise from or be claimed against Continental by any person or persons for any loss of or damage to property, or injury to, including death, of any person whomsoever, consequent upon or arising from or out of the operation, use or occupancy of the Leased Space by the Tenant, its officers, employees, agents, business invitees or guests, or arising from any act or omission of the Tenant, its officers, employees, agents, business invitees or guests in the use and occupancy of the Leased Space, except when any such claim, demand, liability, judgment, loss, cost, damage or expense is the direct result of the sole negligence of Continental, its officers, employees, agents, business invitees or guests, or the joint negligence of Continental and any person, firm or corporation other than the Tenant, its officers, agents, employees, business invitees and guests.

In addition thereto, the Tenant agrees to indemnify and hold the City harmless from and against all liabilities, judgments, costs, damages and expenses which may accrue against, be charged to or recoverable from the City by reason or on account of damage to the property of, injury or death of any person, arising from the Tenant's use and occupancy of the Leased Space, and operations at the Airport, including acts of its agents, contractors and subcontractors, except when caused by the sole negligence of the City or by the joint negligence of the City and any person other than the Tenant, its agents, contractors and subcontractors.

13. *Fire Insurance and Restoration.*

Continental shall obtain and maintain in full force and effect at all times during the term hereof, or any extension or renewal thereof, a policy or policies of fire and extended coverage insurance covering the Continental Air Cargo Facility in an aggregate amount not less than eighty percent (80%) of the full insurable value thereof.

If, during the term, or any extension or renewal thereof, the Continental Air Cargo Facility shall be destroyed or damaged in whole or in part by fire or other cause, Continental shall promptly cause the same to be repaired, replaced and rebuilt, with and to the extent of the insurance proceeds available, at least to the extent of the value and as nearly as possible to the character of the Continental Air Cargo Facility existing immediately prior to such occurrence. Rental otherwise due and payable hereunder shall be ratably abated with respect to that portion of the Exclusive Space, if any, rendered untenantable as a result of such occurrence for and during the period of time Continental is restoring or rebuilding the Continental Air Cargo Facility subsequent to such damage or destruction, unless such damage or destruction is due to any malfeasance, misfeasance or non-feasance of the Tenant, its officers, employees, agents, business invitees or guests. Nothing contained herein shall be deemed to create any obligation upon Continental to carry and maintain insurance coverage on any of the equipment, furnishings and contents located within the Leased Space, including without limitation, ground equipment, air cargo and air cargo handling equipment, all of which shall be the sole liability and responsibility of the Tenant.

14. *Insurance.*

The Tenant further covenants and agrees that, during the term of this Sublease Agreement, it will procure and maintain in full force and effect, at its own cost and expense, policies of insurance of the types and minimum amounts set forth below issued by a company or companies of sound and adequate financial strength acceptable to Continental and the City and naming Continental and the City as additional assureds thereunder.

All such insurance shall be evidenced by a certificate or certificates of insurance delivered to Continental, shall contain a 30-day notice of cancellation clause, and shall contain a provision waiving rights of subrogation against Continental and the City.

15. *Rules and Regulations.*

The Tenant shall at all times observe and obey all rules and regulations governing the conduct and operation of the Airport (as the same apply to the Continental Air Cargo Facility, and the Tenant's use and occupancy thereof) promulgated from time to time by the City. In addition thereto, Continental shall have the right at any time, and from time to time, to establish, modify and enforce reasonable rules and regulations with respect to Continental Air Cargo Facility and the cargo area adjacent thereto, and the Tenant shall faithfully observe and obey all such rules and regulations; provided, however, such rules and regulations shall not be inconsistent with any applicable rules and regulations promulgated by the City.

16. *Assignment or Sublease.*

The Tenant may assign and delegate this Sublease Agreement and the rights and obligations created hereunder to any corporation into or with which the Tenant may hereafter merge or consolidate or which may succeed to the business and assets of the Tenant. The Tenant may further assign and delegate or sublease this Sublease Agreement, the rights and obligations created hereunder, and the premises leased hereby, to any wholly-owned subsidiary or affiliated corporation of the Tenant, in which event the Tenant shall remain primarily liable for the payment of rentals and the performance of all the other obligations of the Tenant created hereunder. Except as provided above, this Sublease Agreement and the rights and obligations created hereunder shall not be assignable or delegable by the Tenant, and any attempt to so assign or delegate shall be null and void.

With the prior written consent of Continental, which consent shall not be unreasonably withheld, the Tenant may sublease the Exclusive Space at a monthly rental rate not to exceed an amount equal to the Tenant's expenses with respect to the Exclusive Space so subleased and facilities and services furnished by the Tenant to, and used by, it sublessee in connection therewith. In the event only a portion of the Exclusive Space is so subleased, it shall be subleased at a monthly rental rate not to exceed a ratable apportionment, on a square foot basis, of the monthly rental rate which would obtain if all of the Exclusive Space was subleased. Notwithstanding the aforesaid provisions, any sublease must be conditioned upon and subject to the written consent of the City of Chicago.

17. *Remedies Upon Default.*

If any of the following events shall occur:

(a) if any voluntary or involuntary petition in bankruptcy or insolvency, or any assignment for the benefit of creditors, or a receiver, shall be made, filed or appointed by or against the Tenant, or if the Tenant's leasehold interest in the Leased Space shall be levied upon under execution or attachment by any process at law or in equity;

(b) if the Tenant shall abandon the Leased Space;

(c) if the Tenant shall default in the prompt payment to Continental of rent reserved hereunder, and such default shall continue for a period of fifteen (15) days after notice of such default is given by Continental to the Tenant; or,

(d) if the Tenant shall default in the prompt and full performance of any other term, covenant or condition of this Sublease Agreement, and such default shall continue for a period of twenty (20) days after notice of such default is given by Continental to the Tenant. unless the default is of such a nature that the same cannot be cured or corrected within said twenty (20) day period and the Tenant shall have promptly and diligently commenced to cure and correct such default and shall have thereafter continued therewith with reasonable diligence and in good faith, in a manner so as to cure and correct the same as promptly as reasonably practicable under the circumstances, and shall have continued therewith until the default shall have been cured and corrected;

then, and in such event (all of which are herein collectively called "Events of Default"), all unpaid rent reserved by Continental hereunder shall immediately become due and payable; and, in addition thereto, Continental may exercise any of the following remedies or any other remedy available to Continental at law or in equity without further notice and without any further demand or other action by Continental, all of which the Tenant expressly waives, and all such remedies shall be cumulative and non-exclusive and the exercise of any one or more such remedies shall not be deemed to be an exclusive election of the remedy or remedies exercised or a waiver of the remedies not exercised, to wit: Continental may bring an action at law or in equity to collect the balance of the unpaid rent reserved hereunder; may terminate this Sublease Agreement and the rights of the Tenant created hereunder and recover damages sustained by the

Event of Default; without terminating this Sublease Agreement, may terminate the tenant's right to possession of the Leased Space; and with or without terminating this Sublease Agreement, may reenter and repossess the Leased Space, and dispel and remove the Tenant and its property therefrom, using such force as may be necessary without being deemed guilty of trespassing, forceful entry or detainer and without relinquishing its right to the rent reserved hereunder (the Tenant hereby granting Continental full and free license to so enter upon the Leased Space with or without notice, demand and process of law). Upon and after entry into possession, without terminating this Sublease Agreement, Continental may in its sole discretion further resublet the Leased Space or any part thereof for the account of the Tenant to any person, firm or corporation for such rent, and upon such terms and conditions as Continental may in its sole discretion determine; and the rent collected by Continental from such resubletting shall first be applied to reimburse unto Continental all costs and expense incurred in connection with resubletting of the Leased Space, including any and all reasonable costs and expenses incurred in repossessing the Leased Space from the Tenant, and the balance if any, shall be applied to the rent reserved herein and any deficiency therein shall be the liability and obligation of the Tenant.

18. *Remedies Upon Default of Continental.*

The Tenant shall have the right, upon giving notice to Continental, to cancel this Sublease Agreement upon or after the default of Continental in the performance of any of the terms, covenants or conditions to be performed by Continental hereunder and the failure to Continental to cure and correct said default within sixty (60) days following receipt by Continental of written demand from the Tenant so to do; provided, however, that if the default is of such a nature that the same cannot be cured or corrected within said sixty (60) day period and if Continental shall have commenced the curing and correcting of such default within said sixty (60) days and shall have proceeded therewith, with reasonable diligence and in good faith, in a manner so as to cure and correct the same as promptly as reasonably practical under the circumstances, then, and in that event, no notice of cancellation given pursuant to the provisions of this paragraph 18 shall be of any force or effect. Except as provided above in this paragraph 18, this Sublease Agreement, and the obligations of the Tenant created hereunder, shall not be cancellable or terminable by the Tenant for any cause whatever.

19. *Equal Opportunity.*

Tenant in performing under this agreement, shall not discriminate against any worker, employee or applicant, or any member of the public, because of race, creed, color, religion, age, sex or national origin, nor otherwise commit an unfair employment practice. Tenant will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, creed, color, religion, age, sex or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination of pay or other forms of compensation; and selection for training, including apprenticeship. Tenant agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause. Tenant further agrees that this clause will be incorporated in all contracts entered into with suppliers of materials or services, contractors and subcontractors and all labor organizations, furnishing skilled, unskilled and craft union skilled labor, or who may perform any such labor or services in connection with this contract.

Tenant's attention is called to Executive Order 11246 issued September 24, 1965, 3 CFR, 1964-65 Compilation, p. 339, as modified by Executive Order 11375 issued October 13, 1967, 3 CFR, 1967 Compilation, p. 320; The Civil Rights Act of 1964, Pub. L. 88-352, July 2, 1964, 78 Stat. 241 et sub.; to the State Acts approved July 28, 1961, Ill. Rev. Stat. 1973, Ch. 38, Secs. 13-1 to 13-4 inclusive; July 8, 1933, Ill. Rev. Stat. 1973, Ch. 29, Secs. 17 to 24 inclusive; July 21, 1961, Ill. Rev. Stat. 1973, Ch. 48, Secs. 851 to 866 inclusive, and July 26, 1967, Ill. Rev. Stat. 1973, Ch. 48, Secs. 881 to 887; an ordinance passed by the City Council of the City of Chicago, August 21, 1945, page 3877 of the Journal of Proceedings (Mun. Code of the City of Chicago, Ch. 198.7A); and the provisions of 41 CFR Chapter 60.

To demonstrate compliance the Tenant and its contractors and subcontractors will furnish such reports and information as requested by the Chicago Commission on Human Relations.

20. *Liens.*

The Tenant shall at all times keep and maintain the Leased Space free and clear of any and all liens, charges and encumbrances whatsoever arising out of or in any manner attributed to any act or omission of the Tenant, its officers, agents and employees, or relating to any work or improvements performed on or to the Leased Space by or on behalf of the Tenant, its officers, agents and employees; and shall not mortgage, pledge, or in any manner hypothecate this Sublease Agreement; provided, however, the Tenant may, in good faith, contest the validity of any lien but, notwithstanding any such contest, if any lien so contested shall be reduced to final judgment and such judgment or such process as may be issued or the enforcement thereof is not promptly stayed or is so stayed and said stay thereafter expires, then, and in any such event, the Tenant shall forthwith entirely pay and discharge said judgment.

21. *Notices.*

Notices and other communications given hereunder shall be in writing and shall be deemed to have been given and delivered when deposited in the United States Mail, registered or certified, with airmail postage prepaid, or delivered to a telegraph agency for immediate dispatch, and addressed, if to Continental, to: Continental Air Lines, Inc., Los Angeles International Airport, Los Angeles, California 90009, Attn. Vice President, Properties & Facilities, and if to Tenant, to: Swissair Transport Co., Ltd., John F. Kennedy Int'l Airport, Jamaica, New York 11430, Attn: Manager-Properties & Facilities or to such other address as the representative party shall from time to time designate in writing to the other party.

22. *Ingress and Egress.*

Continental grants to the Tenant, its officers, employees, agents, business invitees and guests the right of access, ingress, and egress to and from the Continental Air Cargo Facility over such routes as shall be approved by the Commissioner of Public Works of the City, to the same extent and subject to the same conditions and restrictions as shall be available and applicable to Continental and the other occupants of the Continental Air Cargo Facility.

23. *Ratification of Sublease Agreement.*

Inasmuch as Tenant is not a party to the Airport Use Agreement dated January 1, 1959, relating to authorized certificated air carriers serving the Airport, this Sublease Agreement is subject to and requires the consent of the City Council of the City of Chicago. Accordingly and notwithstanding the prior sublease agreement (as may be amended), this

Sublease Agreement will be of no legal effect (save that of continuing occupancy of the Exclusive Space and the payment of rent therefor) until ratified by consent of the City Council of the City of Chicago.

24. *Binding Agreement.*

Subject only to the provisions of paragraph 16 hereof, this Sublease Agreement and the rights and obligations created hereunder shall be binding upon and insure to the benefit of the respective parties hereto, their successors and assigns.

25. *Surrender of Possession.*

Upon termination of the term, or any extension, of this Sublease Agreement, the Tenant shall forthwith surrender the leased Space to Continental in good condition and repair, reasonable wear and tear and damage from any casualty not arising out of a negligent act or omission of the Tenant, its officers, employees, agents, business invitees or guests excepted; and if the Tenant shall retain possession of the Leased Space, or any part thereof, after termination of the term, by lapse of time or otherwise, the Tenant shall pay to Continental all damages sustained by reason of the Tenants retention of possession. Further, if the Tenant so remains in possession of the Leased Space, or any part thereof, such holding over shall, at the election of Continental, if advised by written notice to the Tenant, constitute a renewal of this Sublease Agreement for an additional one (1) year period. The provisions of this paragraph 25 shall not be construed to waive Continental's right of reentry or any other right in Continental hereunder.

26. *Miscellaneous.*

(a) In the event any covenant, phrase, clause, paragraph, section, condition or provision herein contained is held to be invalid by any court of competent jurisdiction, the invalidity of any such covenant, phrase, clause, paragraph, section, condition or provision shall in no way affect any other covenant, phrase, clause, paragraph, section, condition or provision herein contained.

(b) Captions and paragraph headings used herein are for the convenience of reference only and are not intended to define, limit or describe the scope or intent of any of the provisions of this Sublease Agreement.

(c) A waiver by either party hereto of a breach by the other party of any covenant, condition or other provision contained herein shall not be deemed to be a waiver of any subsequent breach of the same or any other covenant, condition or other provision and shall not in any way excuse or relieve the other party from its obligations and responsibilities created hereunder.

(d) The Tenant shall have the right to install and maintain signs, provided that all signs so installed shall be limited to those which advertise air transportation, and the number, general type, size, design and location of such signs shall be subject to the approval of Continental and the Commissioner of Aviation of the City.

27. *Governing Law.*

This Sublease Agreement shall be deemed to have been entered into under and shall be construed in accordance with the Laws of the State of Illinois.

The Committee on Finance submitted a report recommending that the City Council pass the following proposed ordinance transmitted therewith:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Commissioner of Aviation and the City Comptroller, subject to the approval of the Corporation Counsel as to form and legality, are authorized to execute a Consent to the attached sublease agreement between Eastern Air Lines, Inc. and Air Wisconsin, Inc., covering certain premises at Chicago-O'Hare International Airport.

Consent to attached letter agreement reads as follows:

Chicago, Ill.
April 1, 1977.

Gentlemen:

This letter, when executed by the parties hereto, shall constitute an Agreement whereby Eastern Air Lines, Inc. ("Eastern") subleases to Air Wisconsin, Inc. ("Wisconsin"), upon the following terms and conditions, certain premises located at Eastern's Hangar at Chicago-O'Hare International Airport, Chicago, Illinois, which are leased to Eastern under a Basic Lease dated January 1, 1959 ("Basic Lease") from the City of Chicago, and which lease is incorporated into this Agreement by reference insofar as it is applicable.

1. The premises ("premises") hereby subleased consist of an area of approximately 640 square feet more or less, as shown in diagonal hatching on Appendix "A" attached hereto and made a part hereof.

2. The premises shall be used and occupied by Wisconsin solely for the maintenance and repair of ramp equipment and storage of spare parts.

   This sublease shall be subect to, and said use and occupancy shall be in compliance with, all covenants, conditions and obligations imposed by the Basic Lease aforementioned (as heretofore or hereafter amended) and all rules and regulations promulgated pursuant thereto by any party to the Basic Lease; it being agreed that wherever applicable to the subleased premises or use thereof, Eastern may exercise the rights and privileges of the Lessor under the Basic Lease, and Wisconsin shall assume the duties and obligations of the Lessee under the Basic Lease.

3. Said use and occupancy shall also include the right of access to the premises for vehicles and pedestrians as necessary for the maintenance and repair of ramp equipment and storage of spare parts, in common with others, and to the extent that Eastern has said rights under Basic Lease; as well as right of pedestrian access to the premises, only if necessary, through adjoining areas

exclusively leased by Eastern, subject to reasonable rules and restrictions to be imposed by Eastern.

4. The term of this sublease (unless sooner terminated as herein provided) shall be for an indefinite term commencing May 1, 1977.

5. Rental for said premises and uses shall be $320.00 per month, payable in advance commencing on May 1, 1977.

6. Eastern shall not be obligated to supply any utilities or services except as they may be presently provided to the premises through existing systems and facilities, and any sums paid by Eastern for utilities and services or for the maintenance and operation of the systems and facilities not being provided through existing systems and facilities shall be reimbursed by Wisconsin; said sums to be prorated to the subleased premises on any reasonable basis which Eastern may from time to time select.

7. Eastern reserves to itself and the Lessor under Basic Lease, the right to enter the premises, temporarily discontinue utilities or services, and temporarily interrupt or interfere with access to the premises for the purpose of inspection, remedying any defaults, or for the purpose of making repairs, replacements, alterations, or improvements in or about the premises or any other areas on the airport, when desirable in Eastern's or Lessor's opinion. Eastern shall not in any way be liable for any interruptions or interferences as aforestated. Eastern also reserves to itself and Lessor the right to retain, install, and maintain lines, wires, piping, valves, meters, ducts and antenna, as may be necessary or desirable to Eastern and/or Lessor.

8. Wisconsin agrees to indemnify and hold Eastern, its officers, employees and agents harmless from any and all claims, demands, actions and liability that may arise due to its negligent acts or omissions (or the negligent acts and omissions of its officers, employees, agents, suppliers, and visitees) or its use and occupancy of the premises. Eastern will endeavor to give Wisconsin notice of any such claim as promptly as possible.

9. Wisconsin shall procure (and maintain in effect throughout the term of this sublease) in any reasonable limits of coverage that may be requested by Eastern, Comprehensive Public Liability Insurance, and upon notice from Eastern, any other type of insurance that may from time to time be reasonable and usual as related to its use and occupancy of Leased Premises, which policies shall be with an insurer or insurers satisfactory to Eastern and Lessor under the Basic Lease, and naming, where appropriate, Eastern as an additional assured thereunder. All such insurance policies shall be endorsed to waive its insurance company's rights of subrogration. Said policies shall also contain provisions requiring insurers to give Eastern ten (10) days written notice prior to cancellation thereof or prior to any material change. Certification evidencing issuance of said policies and the inclusion of the waiver of subrogation therein shall be furnished to Eastern prior to assuming possession of premises and renewal certificates shall be furnished at least fifteen (15) days prior to expiration date of policy being renewed.

10. Anything in the Basic Lease to the contrary notwithstanding, Wisconsin shall not assign or sublet the premises, or permit same to be used by others, without the prior approval of Eastern and prior approval of Lessor, if required under Basic Lease.

11. This sublease shall be terminated prior to expiration under any of the following circumstances:

    a) At the option of either party upon thirty (30) days written notice to the other.

    b) Immediately upon the refusal of Eastern's Lessor to consent to this sublease, if said consent is required by Basic Lease.

    c) Immediately upon the termination of Eastern's Basic Lease as to the subleased premises for any reason whatsoever; notwithstanding the fact that Eastern's Basic Lease may continue as to other premises or uses.

    d) If the premises are rendered untenantable by casualty or other means and Eastern and/or Eastern Lessor does not intend to repair or rebuild.

    In the event of termination, or expiration, as herein provided, Wisconsin agrees to surrender premises in good order and condition, reasonable wear and tear excepted, and at Eastern's option restore the premises as nearly as possible to its original condition and layout. In the event of termination as aforestated, rent shall be due and prorated to date of termination and upon surrender in accordance herewith, neither party shall be further liable to the other.

12. Wisconsin agrees to take the premises "AS IS" and that no alterations or improvements are to be made by Eastern. Cage enclosure shown on Appendix "A" will be provided at the expense of Wisconsin.

If the foregoing is acceptable to you, please return two (2) of the enclosed copies of this letter, duly executed by an authorized official of Wisconsin to indicate acceptance.

Very truly yours,
Eastern Air Lines, Inc.

Second Party's share of said taxes shall be based upon the ratio of square footage in Terminal occupied by First Party and Second Party.

(b) The First Party or the First Party's agents shall not be liable for any damage to property of the Second Party or of others, nor for the loss of or damage to any property by theft, fire, pilferage or otherwise unless such limitation of liability is unlawful at the place where such loss or damage occurs. The Second Party shall reimburse and compensate the First Party, as additional rent, within five (5) days after rendition of a statement, for all expenditures made by or damages or fines sustained or incurred by the First Party due to non-performance or non-compliance with or breach or failure to observe any term, covenant or condition of this lease upon the Second Party's part to be kept, observed, performed or complied with. The Second Party shall give immediate notice to the First Party in case of fire or accidents in the Space or in the Terminal, of any defect therein, or in any fixture or equipment. The Second Party shall indemnify the First Party for and hold the First Party harmless and free from damages or money paid out by the First Party in settlement of any claims or judgment as well as for all expenses and attorneys' fees incurred in connection therewith and all costs arising out of the Second Party's failure to observe the covenants of this lease, provided the First Party shall make no settlement of any claim without the consent of the Second Party, such consent not to be unreasonably withheld, and further provided that the Second Party shall be given an opportunity to control and defend any litigation against the First Party alleging an act or omission of the Second Party as the basis for recovery, as well as for all expenses and attorney's fees, incurred in connection therewith, and all costs incurred in repairing any damage to the Terminal or appurtenances.

6. (a) The Second Party shall conduct all its operations at the Terminal in careful, efficient and safe manner, following in all respects the best practices of the transportation industry in the United States.

(b) The Second Party shall conduct all its operations at the Terminal in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Terminal. It shall provide and its employees shall wear or carry badges or other suitable means of identification, if required by the First Party.

(d) The Second Party shall commit no nuisance and shall permit neither the commission of any nuisance nor the doing of any act or thing which may result in the creation or maintenance of a nuisance on the space or elsewhere at the Terminal.

(e) The Second Party shall not do or permit to be done any act or thing upon the Space which (1) will invalidate or conflict with any fire insurance policies covering the Space or any part thereof or the Terminal or any part thereof or (2) which, in the opinion of the First Party may constitute any extra-hazardous condition as defined in the Master Lease. The Second Party shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the National Board of Fire Underwriters or of any other board or organization exercising or which may exercise similar functions which may pertain or apply to the operations of the Second Party at the Space but only to the extent defined in the Master Lease. If, by reason of any failure on the part of the Second Party to comply with the provisions of this paragraph (e), any fire insurance rate on the Space or any part thereof shall at any time be higher than it otherwise would be, then the Second Party shall pay to the First Party that part of all fire insurance premiums paid by the First Party under the terms of the Master Lease.

(f) The Second Party, for itself, its successors, and assigns, expressly covenants that it shall not mortgage or encumber this lease nor underlet nor use or permit the Space or any part thereof to be used by others without the prior written consent of the First Party in each instance, provided, that such consent shall not be unreasonably withheld. There shall be no assignment of this sublease by operation of law or otherwise without the prior written consent of the First Party, provided that such consent shall not be unreasonably withheld. If this sublease be assigned or if the Space or any part thereof be underlet or occupied by anybody other than the Second Party, the First Party may, after default by the Second Party, collect rent from the assignee, under-tenant or occupant and apply the net amount collected to the rent herein reserved but no such assignment, underletting, occupancy or collection shall be deemed a waiver of this covenant or the acceptance of the assignee, undertenant or occupant as tenant or a release of the Second Party from the further performance by the Second Party of covenants on the part of the Second Party herein contained. The consent by the First Party to an assignment or underletting shall not in any way be construed to relieve the Second Party from obtaining the express consent in writing of the First Party to any further assignment or underletting.

7. In the event the Space or any part thereof be rendered unusable, damaged or destroyed, the Second Party's right to abatement in or apportionment of rent shall be no greater than nor shall it be in greater kind, measure or degree than the abatement or apportionment allowed to the First Party under the terms and conditions of the Master Lease.

8. (a) The Second Party shall indemnify and hold harmless the First Party from all claims and demands of third persons for personal injuries (including death) or for property damages arising out of the use of the Space or any act of commission or omission related thereto.

(b) The Second Party, in its own name as assured, shall maintain and pay the premiums on the following described policies of comprehensive public liability insurance (including automobile) which shall cover its operations at the Terminal and shall be effective throughout the effective period of the license under this sublease in not less than the following limits:

(c) As to any insurance required to be secured by the Second Party in this or any other section of this sublease, copies of each of the policies or a certificate evidencing the existence thereof shall be delivered to the First Party within ten (10) days after the execution of this sublease. Each such copy or certificate shall contain a valid provision or endorsement that the policy may not be cancelled, terminated, changed, or modified without giving twenty (20) days' written notice thereof to the First Party. Renewal policies shall be delivered to the First Party at least fifteen (15) days prior to the expiration date of each expiring policy except for any policy or policies expiring on or after the expiration date of this sublease. If at any time any of the policies shall be or become unsatisfactory to the First Party, the Second Party shall promptly obtain new and satisfactory policies.

9. The Second Party shall procure all licenses, certificates, permits, or other authorization from all governmental authorities having jurisdiction over the operations of the Second Party of which its operations at the Terminal are a part which may be necessary for the conduct of such operations.

10. The Second Party:

(a) shall not cause or permit any unusual, noxious or objectionable gases, odors or vapors to be produced upon, to permeate or to emanate from the Space.

(b) shall be responsible for the removal from the Terminal of all garbage, debris and other waste materials (whether solid or liquid) arising out of its operations. Any such materials which may be temporarily stored shall be kept in suitable garbage and waste receptacles, the same to be made of metal and equipped with tight fitting covers or otherwise designed safely to contain all material put therein. The Second Party shall, in no cases, throw, discharge or deposit trash, garbage or waste materials into or upon the berth space or any portion of the Terminal not licensed to it.

11. (a) The exercise by the Landlord of its rights of entry upon the Space, as provided for in the Master Lease, shall not be deemed a breach of this sublease or an eviction, partial or entire.

(b) The First Party or the First Party's agents shall have the right to enter the Space during normal business hours of 9:00 A.M. to 5:00 P.M., Mondays through Fridays, excluding Saturdays, Sundays, and legal holidays, to examine the same and to show it to prospective tenants provided reasonable notice is given.

12. (a) If one or more of the following events shall occur, that is to say:

i. the Second Party shall become insolvent or shall take the benefit of any present or future insolvency statute or shall make a general assignment for the benefit of creditors or file a voluntary petition in bankruptcy or a petition or answer seeking an arrangement or its reorganization or the readjustment of its indebtedness under the federal bankruptcy laws or any other law or statute of the United States or any State thereof or consent to the appointment of a receiver, trustee or liquidator of all or substantially all of its property; or

ii. by order or decree of a court the Second Party shall be adjudged bankrupt or an order shall be made approving a petition filed by any of the creditors or, if the Second Party is a corporation, by any of the stockholders of the Second Party seeking its reorganization or the readjustment of its indebtedness under the federal bankruptcy laws or any law or statute of the United States or of any State thereof; or

iii. a petition under any part of the federal bankruptcy laws or an action under any present or future insolvency law or statute shall be filed against the Second Party and shall not be dismissed within ten (10) days after the filing thereof; or

iv. the interest of the Second Party under this sublease shall be transferred to, pass to or devolve upon, by operation of law or otherwise, any other person, firm or corporation or an attempt so to transfer shall be made; or

v. the Second Party shall be a possessor or merged corporation in a merger or a constituent corporation in a consolidation or shall become a corporation in a dissolution; or

vi. if the Second Party is dissolved as the result of any of its acts or omissions or by operation of law or the order or decree of any court having jurisdiction or for any other reason whatsoever; or

vii. by or pursuant to or under authority of any legislative act, resolution or rule or any order or decree of any court or governmental board, agency or officer having jurisdiction, a receiver, conservator, committee, trustee or liquidator shall take possession or control of all or substantially all of the property of the Second Party and such possession or control shall continue in effect for a period of ten (10) days; or

viii. the Second Party shall voluntarily abandon or discontinue its operations at the Terminal or; after exhausting or abandoning any right of further appeal, the Second Party shall be prevented for a period of ten (10) days by action of any governmental agency having jurisdiction thereof from conducting its operations at the Terminal regardless of the fault of the Second Party; or

ix. the Second Party shall fail to pay rent and all other charges on the due date; or

x. (a) the Second Party shall fail to keep, perform and observe each and every other promise, covenant and agreement (other than the payment of rent) set forth in this sublease on its part to be kept, performed or observed within twenty (20) days after receipt of notice of default thereunder from the First Party; then upon the occurrence of any such event or at any time thereafter, during the continuance thereof, the First Party may by ten (10) days' notice terminate this sublease, effective upon the date specified in such notice.

(b) In the event that the Second Party shall fail duly and punctually to make any payment required hereunder or if the Space becomes vacant or deserted, then the First Party may, by ten (10) days' notice terminate this sublease, effective on the date specified in such notice.

(c) It is stipulated and agreed that in the event of the termination of this lease pursuant to (a) or (b) hereof, the First Party shall forthwith, notwithstanding any other provisions of this sublease to the contrary, be entitled to recover from the Second Party, as and for liquidated damages, an amount equal to the difference between the rent reserved hereunder for the unexpired portion of the term demised and the rental value of the Space, at the time of termination, for the unexpired term or portion thereof, both discounted at the rate of six (6) per centum per annum to present worth; nothing herein contained shall limit or prejudice the right of the First Party to prove for and obtain, as liquidated damages by reason of such termination, an amount equal to the maximum allowed by any statute or rule of law in effect at the time when, and governing the proceedings in which, such damages are to be proved, whether or not such amount be greater, equal to, or less than the amount of the difference referred to above.

(d) If the Second Party shall default in the observance or performance of any term of covenant on the Second Party's part to be observed or performed under or by virtue of any of the terms or provisions in any article of this lease, the First Party may upon five (5) days written notice or at any time thereafter perform the same for the account of the Second Party and if the First Party makes any expenditures or incurs any obligations for the payment of money in connection therewith, including, but not limited to, attorneys' fees, in instituting, prosecuting or defending any action or proceeding, such sums paid or obligations incurred with interest and costs shall be deemed to be additional rent hereunder and shall be paid by the Second Party to the First Party within five (5) days of rendition of any bill or statement to the Second Party therefor.

(e) The acceptance by the First Party of fees, charges or other payments for any period or periods after a default on the part of the Second Party in its performance of any of the terms, covenants and conditions hereof to be performed, kept or observed by the Second Party, shall not be deemed a waiver of any right on the part of the First Party to terminate this sublease. No waiver of default by the First Party of any of the terms, covenants or conditions hereof to be performed, kept or observed by the Second Party shall be construed to be a waiver by the First Party of any other or subsequent default of any of the said terms, covenants and conditions.

(f) The rights of termination described above shall be in addition to any rights and remedies that the First Party would have at law or in equity consequent upon any breach of this sublease by the Second Party and the exercise by the First Party of any such right of termination shall be without prejudice to any other such rights and remedies.

13. (a) The First Party or the First Party's agents have made no representations or promises with respect to the Space except as herein expressly set forth. The taking possession of the Space by the Second Party shall be conclusive evidence as against the Second Party that said Space was in good and satisfactory condition at the time such possession was so taken, provided that the Second Party may provide a list of defects to be remedied by the First Party within fifteen (15) days after taking possession.

(b) The Second Party shall immediately give notice to First Party (to be followed by written notice) of any and all impending or existing organized labor complaints, troubles, or disputes involving the First Party at the Terminal and shall continuously report to the First Party the progress and resolution thereof. The Second Party shall use best efforts to resolve such complaint or disputes, including legal action.

14. (a) Except where herein expressly required to be oral, all notices, requests, consents and approvals required to be given to or by either party shall be in writing and all such notices and requests shall be personally delivered to the duly designated officer or representative of such party or delivered to the office of such officer or representative during regular business hours or forwarded to him or to the party at such address by registered mail. The Second Party shall designate an office within the State of Illinois and an officer or representative whose regular place of business is at such office. Until further notice, the First Party hereby designates its President and the Second Party designates the individual named at the end of this indenture as their respective officers or representatives upon whom notices and requests may be served, and the First Party designates its office at 20 Olney Avenue, Cherry Hill, New Jersey 08002 and the Second Party designates its office at Regional Manager, Midwest, 115 South State Street, Chicago, Illinois 60603, as the respective offices where notices or requests may be served.

(b) If any notice is mailed, the giving of such notice shall be complete upon receipt.

15. The Second Party further covenants and agrees that in case the First Party shall be made party to any litigation commenced against the Second Party arising out of a failure of the Second Party to observe the covenants of this sublease, then the Second Party will pay all expenses, costs and reasonable attorneys' fees incurred by or imposed on the First Party by or in connection with such litigation and the Second Party will also pay all costs, expenses and reasonable attorneys' fees which may be incurred or paid by the First Party in enforcing the covenants and agreements of this sublease.

16. In case of any such default, re-entry, expiration and/or dispossession by summary proceedings or otherwise (a) the rent shall become due thereupon and be paid up to the time of such re-entry, dispossess and/or expiration, together with such expenses as the First Party may incur for legal expenses, attorneys' fees, brokerage and/or putting the Space in good order or for preparing the same for re-rental; (b) the First Party may relet the Space or any part or parts thereof, either in the name of the First Party or otherwise, for a term or terms which may, at the First Party's option be less than or exceed the period which would otherwise have constituted the balance of the term of this sublease, provided that the First Party shall have a duty to mitigate damages; and/or (c) the Second Party or the legal representatives of the Second Party shall also pay to the First Party, as liquidated damages for the failure of the Second Party to observe and perform said Second Party's covenants herein contained, any deficiency between the rent hereby reserved and/or covenanted to be paid and the net amount, if any, of the rents collected on account of the sublease or subleases of the demised premises for each month of the Period which would otherwise have constituted the balance of the term of this lease. In computing such liquidated damages, there shall be added to the said deficiency such expenses as the First Party may reasonably incur in connection with re-letting such as legal expenses, attorneys' fees, brokerage, and for keeping the Space in good order for preparing the same for re-letting. Any such liquidated damages shall be paid in monthly installments by the Second Party on the rent day specified in this sublease and any suit brought to collect the amount of the deficiency for any month shall not prejudice in any way the rights of the First Party to collect the deficiency for any subsequent month by a similar proceeding. The First Party, at the First Party's option, may make such alteration and/or decorations in the Space as the First Party, as may be reasonably necessary for the purpose of re-letting the Space; and the making of such alterations and/or decorations shall not operate or be construed to release the Second Party from liabilities hereunder as aforesaid. In the event of a breach or threatened breach by the Second Party of any of the covenants or provisions hereof, the First Party shall have the right of injunction and the right to invoke any remedy allowed at law or in equity as if re-entry, summary proceedings and other remedies were not herein provided for. Mention in this sublease of any particular remedy shall not preclude the First Party from any other remedy in law or in equity. The Second Party hereby expressly waives any and all rights in redemption granted by or under any present or future laws in the event of the First Party obtaining possession of the demised premises by reason of the violation by the Second Party of any of the covenants and conditions of this sublease or otherwise.

17. (a) The First Party covenants and agrees with the Second Party that, upon the Second Party paying said rent and performing all the covenants and conditions aforesaid, on the Second Party's part to be observed and performed, the Second Party shall and may peaceably and quietly have, hold and enjoy the Space hereby demised for the term aforesaid subject, however, to the terms of the Master Lease.

(b) No provision of this sublease shall be deemed to have been waived by the First Party unless such waiver be in writing signed by the First Party. No payment by the Second Party or receipt by the First Party of a lesser amount than the monthly rent herein stipulated shall be deemed to be other than on account of the stipulated rent nor shall any endorsement or statement on any check or any letter accompanying any check or payment as rent be deemed an accord and satisfaction and the First Party may accept such check or payment without prejudice to the First Party's right to recover the balance of such rent or pursue any other remedy in this sublease provided. This sublease contains the entire agreement between the parties and any executory agreement hereafter made shall be ineffective to change, modify or discharge it in whole or in part unless such executory agreement is in writing and signed by the Party against whom enforcement of the change, modification or discharge is sought.

18. (a) During the six (6) months prior to the expiration of the term of this lease or any renewal term, the First Party may exhibit the premises to prospective tenants or purchasers upon reasonable notice during the normal business hours of 9:00 A.M. to 5:00 P.M., Mondays through Fridays, excluding Saturdays, Sundays and legal holidays, and place upon said premises the usual notices "To Let" or "For Sales", which notices the Second Party shall permit to remain thereon without molestation. If, during the last month of the term, the Second Party shall have removed all or substantially all of the Second Party's property therefrom and with the consent of the Second Party, the First Party may immediately enter and alter, renovate and

redecorate the demised premises without elimination or abatement or rent or incurring liability to the Second Party for any compensation and such acts shall have no effect upon this lease. In the event of emergency threat to person or property, if the Second Party shall not be personally present to open and permit an entry into said premises at any time when for any reason an entry therein shall be necessary, the First Party or the First Party's agents may enter the same by a master key or may forcibly enter the same without rendering the First Party or such agents liable therefor (if during such entry the First Party or the First Party's agents shall accord reasonable care to the Second Party's property) and without in any manner affecting the obligations and covenants of this lease. Nothing herein contained, however, shall be deemed or construed to impose upon the First Party any obligation, responsibility or liability whatsoever for the care, supervision or repair of the Terminal or any part thereof.

(b) Upon the termination of this lease by forfeiture before the expiration hereof or upon its expiration, the Second Party covenants and agrees at once to surrender peaceably and to deliver up to the First Party, free and clear of all encumbrances and liens whatsoever made or permitted by or against the Second Party, and in good condition, usual wear and tear excepted, the Space, and further agrees that all fixtures (other than trade fixtures) which shall be promptly removed by Second Party and improvements to the said space shall belong to the First Party and that no compensation shall be allowed or paid therefore to the Second Party or to anyone claiming by, through or under it, or Second Party shall return premises in original condition. The First Party expressly recognizes the right of removal at the termination of this sublease for the following items: (1) cage; (2) elevator-lift; (3) roller system; and (4) electric battery charger.

19. The covenants, conditions and agreements contained in this sublease shall bind and inure to the benefit of the First Party and the Second Party and their respective successors and, except as otherwise provided in this lease their assigns.

20. It is expressly understood and agreed that the First Party shall in no event, be liable for any claims of any kind, nature or description whatsoever, which may be asserted by the Second Party or any person, firm, company or corporation claiming under or through the Second Party for damages to any of the Second Party's motor vehicles and equipment which may be parked in, on or about the Terminal, irrespective of the fault, negligence, acts or omissions of the First Party, its agents, servants and employees unless such limitation of liability is unlawful at the place of damage.

21. (a) This sublease, including the Master Lease, supplemental riders and cover letters dated August 16, 1976 and September 20, 1976 constitutes the entire agreement of the First Party and the Second Party on the subject matter hereof and may not be changed, modified, altered, discharged or extended except by written instrument duly executed by both of them.

(b) The Second Party shall have an option to extend this sublease for a term of three (3) years on the same terms and conditions provided that the First Party and Second Party agree as to the rental price. All renewals and extension must be in writing duly executed by the parties hereto, and notice of exercising option to extend must be given by the Second Party at least sixty (60) days prior to termination of the term.

22.
